**SCHOOL WITH
ARTS VILLAGE &
SPORTS ACADEMY**

NURSERY TO STD X

**SCHOOL WITH
ARTS VILLAGE &
SPORTS ACADEMY**

**ONLY SCHOOL WHICH GIVES
EVERY OPPORTUNITY TO TAP
THE INNER POTENTIAL
OF A CHILD.**

*Believe in what you do,
Do what you believe in !*

Greendale - The Complete International School was established in 2015 by ALWARDAS GROUP which has promoted 28 educational institutions catering from Play School to Research level. The above mentioned group has pioneered in privatising education since 1978. Having been in this field of education for more than four decades, I felt that there is need for establishing a good school with an Arts Village and a Sports Academy which gives children ample opportunities to tap their inner potential so that they can excel in the fields of their interest and become an asset for the country.

*Dr. S. P. Ravindra
Chairman*

Greendale was established in a sprawling 15 Acre campus with two buildings having a state-of-the-art infrastructure and a lush green pollution free campus. The intake is limited to 30 students per class so that the teacher can focus on every child personally and help him/ her to learn better.

Arts Village: In addition to the academic blocks an exclusive Arts Village has been provided with an Arts Studio, Music Studio, Sculptor Studio, Do It Yourself Studio (DIY) and Robotics which gives unbounded opportunities to the children to explore and discover more in the fields of their interest and become the best.

Sports Academy: A full-fledged Sports Academy has been developed with Horse Riding, Indoor Swimming Pool, Cricket Nets, Basketball Court, Skating Rink, Tennis, Cricket Grounds, Foot Ball, Volley Ball Court, Throw Ball Court facilities to indulge in every sport. Galleries have been provided so that the children can sit, watch and get inspired seeing the fellow children participating.

Having identified the need for a school with all the facilities which will enable a child to become a complete individual, the group has established Greendale - The Complete International School and we are confident that it will cater not only to the children of Andhra Pradesh but also pan India and help them to avail of the facilities to train themselves to become multi dimensional personalities.

Chairman's Dream

OUR VISION

To equip each child intellectually, physically and spiritually to face the challenges, responsibilities and life situations with academic excellence, Values, confidence and honesty.

OUR MISSION

We strive to provide a diverse educational experience for children to believe in themselves and discover their true potential. It is our mission to deliver a resource based education with global opportunities for academic growth and all round development of the student.

Academic Excellence

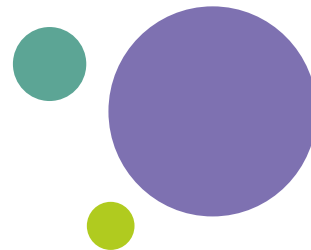

Our core purpose is to ensure Greendale students acquire the attributes to become leaders for a better world. A leader is someone who has strong interpersonal skills, determination, knowledge and adaptability.

To develop students that display these qualities, Greendale focuses on four key elements:

- Attainment at a high level in academic studies leading to places at top universities worldwide.
- An awareness of one's own strengths and weaknesses with humility. This is gained by active participation in Leadership in Action (LiA — extra curricular) opportunities as well as the academics.
- An ability to relate to others with tolerance, respect and consideration, whatever their beliefs and attitudes. Achieved through Opportunities and House activities.
- Adopting an outstanding set of values: understanding right from wrong, handling success and disappointment and accepting that one's actions have consequences.

At Greendale, we know that how we learn is as important as what we learn. We use this ideology to ensure that students learn to ask essential questions and self-reflect, even as they work to achieve clear learning objectives. Our preschool through Grade 10 curriculum is rigorous and relevant, drawing from the best international programmes and taking full advantage of the school's unique and serene environment.

VIBRANT
CLASSROOMS

“ We believe
GOOD INFRASTRUCTURE
is pre-requisite for
quality education”

Greendale - The Complete International School has state – of – the – art infrastructure designed to deliver effective teaching. The campus is aesthetically designed where students learn and strive to achieve their best. The school campus is established in 15 Acre's lush green serene environment overlooking the hills. We have ensured that it becomes the second home for our students.

THE PLACE TO GROW

Classrooms

Spacious classrooms having the required infrastructure facilitating the teacher and child to create an atmosphere to have effective learning.

Resource Centre

The resource centre cum-library has been equipped with wide range of books, comics, story books and relevant software to create an interest in the child to spend more hours in the library. Children who read more no. of books are awarded.

Smart Classes

In order to update the children with latest technology, few smart classrooms are provided with LCD projector and all multimedia devices having internet facility for access.

Multi - Purpose Hall

Multi Purpose Hall plays a very important role in training the children for all kind of activities, indoor sports, personality development programs giving an opportunity for every child to tap their inner potential and to give good exposure.

Laboratories

Each student has a different learning style, so to promote effective learning, we have introduced various innovative skill development laboratories.

Computer Labs

Two Computer Labs for senior classes and junior classes have been provided separately with required no. of computers and software which creates an interest in the children and to learn better.

Dining Hall

As **eticacy** is part of learning for every child for which separate dining hall has been provided to train the children in table manners, eating with spoon and fork so that every child of this school can conduct and carry themselves in any part of the world.

Medical Room

Medical room is headed by a on call Doctor for any medical emergencies. Medical checkup of students are done periodically. Nutritionists are invited occasionally to advice children on healthy eating habits.

ARTS VILLAGE

Separate Arts Village has been provided creating the atmosphere for every child to get motivated and involved in ARTS as part of their learning..

Separate studios like ARTS / SCULPTOR STUDIO, MUSIC STUDIO, Do It Yourself & ROBOTICS STUDIO are created.

ART STUDIO (Painting & Sculptor)

A separate painting and sculptor studio has been provided to give opportunity to children to paint on paper, canvas etc. and in addition to painting sculptor studio has also been provided to help children to put there creative thoughts into action. In addition to the arts teacher, senior artists, sculptors who are working as professors and made there presence felt in the world of ART are guiding the children as advisors.

MUSIC STUDIO

Music studio has been provided creating an opportunity to the children to learn various instruments and also to train children in singing, and dancing. In addition to the regular teachers we have professionals as advisors so that the children can be trained in the right direction.

DO IT YOURSELF & ROBOTICS STUDIO

As there is lot of enthusiasm in children to learn the parts of computer, various gadgets etc., the concept of DIY has been introduced to give an opportunity to every child to open and check the parts in a particular gadget and to fix it back, so that the child is aware of the parts which help the gadget to run. Students are also trained on Robotics which creates a lot of interest in the child to be successful engineers. All precautions are taken so that the child does not hurt himself.

GREENDALE SPORTS ACADEMY

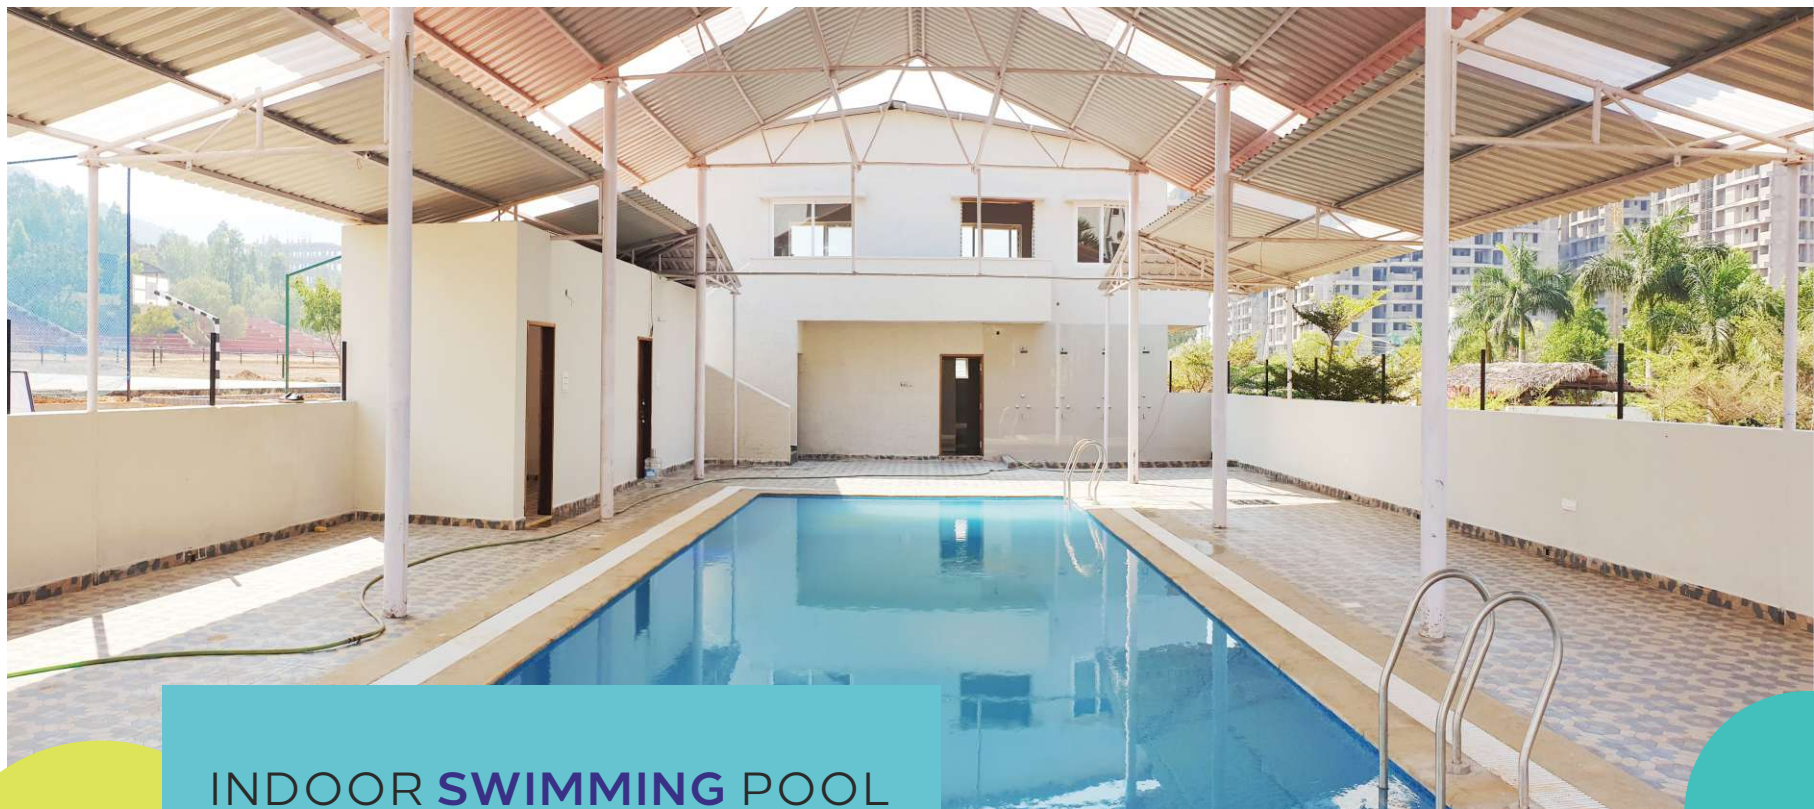

SPORTS ACADEMY
WITH OUTSTANDING FACILITIES

Greendale Sports Academy plays a very important role in every child's life. giving the utmost importance to sports the management had provided sports facilities having grounds for 200 mt Track, Football, Cricket, Hockey etc. In addition to the sports grounds the school is facilitated with Volleyball, Throwball, Basketball, Tennis, Table Tennis, Skating, Cricket Net Practice, Swimming, Horse Riding, Martial Arts Training etc.

Greendale values of leadership, teamwork, service, resilience and creativity form the core of our sporting philosophy.

INDOOR SWIMMING POOL

Considering the timing and the climatic conditions of Visakhapatnam the management had provided and indoor swimming pool which can help the children to swim anytime during the school hours and lights are also installed to swim during late evenings.

Swimming coaches are always available to train and take care of the safety of the children.

Horse Riding

We at Greendale believe in giving utmost confidence to every child for which horse riding is made one of the sport to increase the confidence level of every child to take care of a horse and to ride.

Basketball

Basketball adds on to the development of a child's mind, tolerance, coordination and most importantly imparts a sense of rigor. A well maintained basket ball court is provided for the children.

Skating Rink

There are two types of skating offered at the Skating Rink of Greendale, Roller Skating and Inline Skating. The students train under a result oriented coach using best of equipment for the sport, and as protective gears.

Volley Ball

Volleyball is a sport that requires teamwork and coordination. Children learn to work in a team, take responsibility and trust their teammates.

Indoor Swimming Pool

The indoor pool opens the door for sports opportunities that can be enjoyed throughout the year, without worrying about adverse weather conditions and is perfect for lap swimming, water walking, open swim and group usage.

Karate

The students are coached by an immensely disciplined coach who tends to impart proper skills and wide variety of techniques to his students. Students are provided with good quality equipment and the full body kit for the fight simulation

Table Tennis

Greendale provides Table Tennis tables with all the required equipment for its children. Year round coaching by trainers to develop game specific techniques.

Cricket Nets

Cricket nets with turf courts offer a perfect place for children to practice their batting and bowling skills and for field practice. Children are being trained on cricket by senior cricketers who represented Ranji and several other teams for AP & INDIA.

CELEBRATIONS @ GREENDALE

SPORTS DAY CELEBRATIONS

KIDS CAN COOK

GREENDALE HILL TOP FOOD COURT

Full fledged Food court has been provided in the campus to facilitate the children and parents to sit, eat and interact to increase the bonding between the parent and child. Having developed a full fledged sports complex, food court creates a very good facility for all the children who are involved in sports.

FAMILY FUN DAY

KINDLING A
SENSE OF
TOGETHERNESS

GREENDALE GREEN INITIATIVES

Greendale believes in increasing awareness amongst its students about how contaminated the environment around us is becoming.

At "Think Green"- A Greendale Initiative, students join hands and work to create a greener environment in order to make a safer and a better place for the present as well as the future generations.

"We care" is a community outreach program taken up by Greendale as it believes in inculcating a sense of service to the society in the minds of its students.

This is a platform that incorporates community services and drives our students in assessing and addressing the real needs of their local community and the world around them. Students can truly experience the difference that their actions make to the society.

We CARE

"Teaching children to be Mindful of the elderly in the community"
